Position / title

Retired Scientific Advisor, Leading spatial planner, Institute of architecture and urban & spatial planning of Serbia, Belgrade

President of the Scientific Council, Institute of architecture and urban & spatial planning of Serbia since 2015 until October 2021

Board of Directors member, Institute of architecture and urban & spatial planning of Serbia since 2015 until September 2021

Movement in service

- **2013-2021** Institute of architecture and urban & spatial planning of Serbia
- **2006-2013** Faculty of Tourism and Hospitality Management, University Singidunum, Belgrade
- **2002-2006** Institute of architecture and urban & spatial planning of Serbia
- **2000-2002** Department: Landscape Architecture, Faculty of Forestry, University of Belgrade
- **1991-2000** Ministry of Construction of the Republic of Serbia
- **1989-1991** Office for Development of the Republic of Serbia
- **1984-1989** Directorate for rehabilitation of Kopaonik area affected by the earthquake, Republic of Serbia
- **1978-1984** Project Bureau, Construction Company "Napred"

Education, scientific / professional title, professional exam, licenses

2000. PhD in Spatial Planning, Faculty of Geography, University of Belgrade.

1996. MSc in Spatial Planning, Faculty of Geography, University of Belgrade.

1978. BSc in architecture, Faculty of Architecture, University of Belgrade

2010. Full professor, Faculty of tourism and hospitality management, University Singidunum, Belgrade.

2017. License of responsible urban planner, Chamber of Engineers of Serbia.

2003. License of responsible spatial planner, Chamber of Engineers of Serbia.

Membership in scientific and professional associations

- Co-founder and Vice President of the International Research Academy of Arts and Sciences IRASA, 2018
- Individual membership of the Association of European Schools of Planning AESOP, 2007
- Member of the International Society of City and Regional Planners ISOCARP, 2007
- Member of the Chamber of Engineers of Serbia, 2003
- Member of the Ranko Radovic Award Committee, AAAADS, 2014

Scientific and professional competence / specialty

Research, application and dissemination of scientific results in the field of:

- spatial planning methodologies and processes;
- integration of spatial, environmental and sectoral planning and public policies;
- implementation of spatial and urban planning;
- sustainable urban development and peripheral urban areas,
- sustainable development of tourism and tourist destinations;
- educating experts on the planning and management of spatial and tourism development.

Aggregate results by category according to the Rulebook on Evaluation of Scientific Research Results

Published a total of 143 research papers, of which 6 are ISI / Web of Science, 9 on SCOPUS list and 23 in SCI KoBson.

Most important scientific (published) papers

ISI / Web of Science (6 papers) at KoBson

The most significant professional results and studies

Head team management for development of the spatial plan and program for its implementation

1. Spatial Plan of the Republic of Serbia from 2021-2035, Draft, 2021, Institute for Architecture and Urban & Spatial Planning of Serbia
2. Spatial plan of the special purpose area for the infrastructure corridor of the Belgrade-Nis railway, 2020, Government of the Republic of Serbia ("Official Gazette of the Republic of Serbia", no. 117/20)
3. Spatial plan of the special purpose area for the Zlatibor Nature Park, 2020, Government of the Republic of Serbia ("Official Gazette of the Republic of Serbia, No. 2/20)
4. Report on the implementation of regional spatial plans for the Šumadija and Western Serbia Region, 2018, Institute for Architecture and Urban & Spatial Planning of Serbia
5. Report on the implementation of regional spatial plans for the Southern and Eastern Serbia Region, 2018, Institute for Architecture and Urban & Spatial Planning of Serbia
6. Harmonization of the Spatial Plan of Tutin Municipality, 2017, Municipal Assembly of Tutin
7. Implementation Program of the Spatial Plan of Republic of Serbia 2016-2020, 2016, Government of the Republic of Serbia („Official Gazette of RS”, No 104/2016)
8. Implementation Program of the Regional spatial plan for Kolubara and Mačva districts 2016-2020, 2016, Government of the Republic of Serbia („Official Gazette of RS”, No 106/2016)
9. Spatial plan for the special purpose area of Kopaonik National Park, 2016, Government of the Republic of Serbia („Official Gazette of RS”, No 89/2016).
10. Implementation Program of the Regional spatial plan for Zlatiborski and Moravički districts 2015-2020, 2015, Government of the Republic of Serbia („Official Gazette of RS”, No 92/2015)
11. Implementation Program of the Regional spatial plan for Timočka krajina until 2018, 2015, Government of the Republic of Serbia („Official Gazette of RS”, No 17/2015)
12. Implementation Program of the Regional spatial plan for Južno Pomoravlje until 2018, 2015, Government of the Republic of Serbia („Official Gazette of RS”, No 4/2015)
13. Regional spatial plan for Kolubara and Mačva districts 2016-2020, 2015, Government of the Republic of Serbia („Official Gazette of RS”, No 11/2015)
14. Spatial plan for the special purpose area of international waterway E-80 - Danube (Pan-European corridor VII), 2015, Government of the Republic of Serbia („Official Gazette of RS”, No 14/2015)
15. Spatial plan for the special purpose area of Đerdap National Park, 2013, Government of the Republic of Serbia („Official Gazette of RS”, No 43/2013)

16. Spatial Plan of Sjenica Municipality, 2013, Municipal Assembly of Sjenica
17. Spatial Plan of Valjevo Municipality, 2012, Municipal Assembly of Valjevo
18. Spatial Plan of Novi Pazar Municipality, 2012, Municipal Assembly of Novi Pazar
19. Spatial Plan of Aranđelovac Municipality, 2011, Municipal Assembly of Aranđelovac
20. Spatial plan for the special purpose area of Special nature reserve Uvac, 2010, Government of the Republic of Serbia („Official Gazette of RS”, No 83/2010)

Member of synthesis team for development of spatial and urban plan

1. Spatial plan for the special purpose area for the Đerdap national Park, 2021, Draft, Institute for Architecture and Urban & Spatial Planning of Serbia
2. Spatial plan for the special purpose area of highway corridor E-80, section Niš-Merdare, 2017, Government of the Republic of Serbia („Official Gazette of RS”, No 102/2017)
3. Master plan for town Bora, 2015, Municipal Assembly of Bor
4. Regional spatial plan for Zlatibor and Moravica districts 2016-2020, 2012, Government of the Republic of Serbia („Official Gazette of RS”, No 1/2012)
5. Regional spatial plan for Timočka krajina, 2011, Government of the Republic of Serbia („Official Gazette of RS”, No 51/2011)
6. Spatial Plan for the Republic of Serbia 2010-2020, 2010, Government of the Republic of Serbia („Official Gazette of RS”, No 88/2010)
7. Regional spatial plan for Južno Pomoravlje, 2010, Government of the Republic of Serbia („Official Gazette of RS”, No 83/2010)

Member of the national strategy management team

24. Sustainable Urban Development Strategy of the Republic of Serbia until 2030, 2019, Government of the Republic of Serbia („Official Gazette of RS”, No 47/2019 – Attachment 4)

Research projects

Until 2021, participated in 7 Ministry of Science and Technology Development research projects and 3 international projects.

Period 2011-2021

- “The role and implementation of the national spatial plan and regional development documents in the renewal of strategic research, opinion and management in Serbia“, No. III 47014, team member
- “Sustainable Spatial Development The Danube Region in Serbia“, No. TR 36036, Head of the Sub-project “Impact of International Development Documents, Conventions and Guidelines on Spatial Development of the Danube Region in Serbia”
- Restoring and managing ecological corridors in mountains as the green infrastructure in the Danube Region (ConnectGREEN), June 2018 - September 2021, Member of the expert team of the Institute for Architecture and Urban & Spatial Planning of Serbia, funded by EBRD and IPA, INTERREG DTP project
- Strengthening Capacities to Enhance Territorial Attractiveness (ATTRACTIVE DANUBE), January 2017 - July 2019, June 2018 - May 2021, Member of the expert team of the Institute for Architecture and Urban Planning of Serbia, funded by EBRD and IPA, INTERREG DTP project
- Strengthening capacities of Local Self-Governments in Serbia towards low-carbon and resilient urban development investments, December 2021 – September 2023, Member of the expert team of the Institute for Architecture and Urban Planning of Serbia, funded by the World Bank.

Lelecturing

- 2014- Visiting Professor, courses: Regional, Urban and Rural Development, and Spatial and Urban Planning, at the International Doctoral Study Program: Urban and Environmental Management at the United Nations European Center for Peace and Development, Belgrade.
- 2010-2013. Full Professor, Basic Academic Studies, Subjects: Tourism and Space, and Management of Natural and Cultural Resources in Tourism; Master Academic Studies, Subject: Sustainable Development of Tourist Destinations; Doctoral Studies, Subject: Contemporary Trends in Tourism; Faculty of Tourism and Hospitality Management, University Singidunum, Belgrade.
- 2006-2010. Associate Professor, Basic Academic Studies, Subjects: Tourism and Space, and Management of Natural and Cultural Resources in Tourism; Master Academic Studies, Subject: Sustainable Development of Tourist Destinations; Faculty of Tourism and Hospitality Management, University Singidunum, Belgrade.

- 2001-2004. Visiting Lecturer, Basic Academic Studies, Subject: Organization of Spatial Planning in Tourism, Department: Tourism and Hospitality Management, Faculty of Economics, University of Belgrade.
- 2000-2004. Assistant Professor, Basic Academic Studies, Subject: Urban and spatial planning; Master Academic Studies, Subject: Urbanism, Department of Landscape Architecture, Faculty of Forestry, University of Belgrade.

Mentor and member of the master's defense committee

- 2006-2013. Mentor for 23 Master thesis (at Faculty of Tourism and Hospitality Management, University Singidunum).
- 2000-2013. Member of the master's defense committees for 39 Master thesis (at Faculty of Forestry, Faculty of Geography and Center for multidisciplinary studies - University of Belgrade; Faculty of Tourism and Hospitality Management, University Singidunum and United Nations European Center for Peace and Development, Belgrade).

Member of the Commission for the Defense of Doctoral Theses

- 2000-2021. Member of the Commissions for the Defense of 16 Doctoral Theses (at Faculty of Forestry, Faculty of Geography and Center for multidisciplinary studies - University of Belgrade; Faculty of Tourism and Hospitality Management and Faculty of Applied Ecology Futura, University Singidunum, Belgrade; United Nations European Center for Peace and Development, Belgrade; Université de Lille, Durection Mise en oeuvre de politique scientifique, Lil, France).

Master thesis

Maksin, M. (1996), *Treatment of Environment in Spatial Plans of Special Purpose Areas*, Faculty of Geography, University of Belgrade

Doctoral Theses

Maksin, M. (2000). Normative (legal and planning) and actual protection of space in Serbia - state and opportunities for improvement, Faculty of Geography, University of Belgrade
